

INVITATION

We have the pleasure to inform you that “**Korea International Youth Olympiad 4I**” 2017 will be held on August 11 – 13, 2017 in Hwaseongsi, Gyeonggi Province, Korea. We would be deeply honored to invite you to our event. Following the successful launch of the first “Korea International Youth Olympiad 4I” last year, we are more than pleased to have another opportunity to see brilliant ideas being shared among young creative students.

The program of “Korea International Youth Olympiad 4I” 2017 consists of contests, lectures and various events. In regard of contests, there are two sections for students to participate: ‘The Best of Best Invention’ and ‘Team Competition’. We invite the prize awardees of invention contests for ‘The Best of Best Invention’ contest. We also invite teams of four creative students to the ‘Team Competition’ to gather their ideas to work on the designated assignments. Other than contests, there will be various booths and events which would hopefully inspire participants.

Expected Participants for the contest:

- The Best of Best Invention: Grade 3 ~ University students
- Team Competition for Creativity: Grade 3 ~ High school students

The services offered to participants include:

- Free accommodation for one representative from one country
- Hwaseongsi city tour
- Field trip to companies
- Shuttle bus from the airport(ICN) to Hwaseongsi(accommodation)
- Team matching program with Korean students and students from other countries

For more information, please visit our website: <http://kiyo4i.com/en>. We are looking forward to welcoming you in Hwaseongsi.

Warmest regards,

Han, Mi-Young
President,
World Women Inventors & Entrepreneurs Association
